Many of you will have received an email last week asking you to give consent for future communications thanks to the requirements of the new GDPR legislation. If you haven't received this or you think we don't have your email address, please email Debbie in the office and she will be able to send you the form. For those without email, please collect a hard copy from the table by the door. The more consents we can gather electronically, the less pressure it will put on the office so please try to use the email option if at all possible. If there are any questions, please speak to the Churchwardens.
